This video shows how to replace the front windshield wiper blades in your 2005 Acura RL. Always replace both wiper blades, even if only one side is streaking - the rubber on the opposite side is likely worn as well. We recommend changing the wiper blades on your RL at least once a year even if you don't use your wipers much - the sun wears out your wiper blades more than using them to wipe water.

I bought this to replace the driver's side wiper on a 2005 Acura RL. I also replaced the passenger side with the 19" blade. The old blade slid right out, and the new one slid in just as easily. Can't say the same for the passenger blade. That one took some effort. They wipe amazingly well, and the water definitely beads up as advertized on the package.
