I don't know anything personally about the Mercedes motor home engines but I have the Cummins 330 Hp engine in my 2000 American Dream and it has been extremely reliable. I've heard stories both ways, good and bad, about the MB engines in motor homes but have no personal experience to back it up either way.

330HP diesel....CUMMINS or MERCEDES? - iRV2 Forums

I have a friend with the 330 in a 36 CC towing about 3500 lbs.i have a longer with tag, towing 6600 lbs. i get 7.6, he gets a little over 8, but we both pull into the cg one right behind the other. That in my opinion is. Good engine if taken care of. I believe you will like it. I was told by cummins you can turn it to 350, but for the cost i ...

Cummins 330hp to - iRV2 Forums

However, it is a weakness which might affect your Cummins diesel engine. This problem affects mostly engines with the infamous 53 stamp on the engine block. The issue is present in the engines produced in the period 1999-2002, and seems to be contained to the 24 valve versions.
