The history of Christianity includes some vastly different eras. The two most significant events, as far as their affect on church history, are the marriage of mainline Christianity with the government of Rome under the reign of Constantine the Great and the Reformation, which ended the Middle Ages.

The History of Christianity: An Overview

When first published in 1992, Mark A. Noll's *A History of Christianity in the United States and Canada* quickly established itself as one of the best, if not the best, treatments of the subject. The second edition of that book revises, updates, and adds to the original text.

For the history of Christianity and its pre-history (the other 1000 years) in many places it is eclectic and only mars, not scratches the surface. MacCulloch does bring a lot of interesting if not probably important nuggets to the surface. The decisions about what to include and not alone are worth.
