The Altec Lansing M604 Speaker System is a quality set - especially for the price. The sound quality from the speakers is excellent and I loved that they were more reasonably priced than the only other speakers available now for Zunes - the VAF set. However, I have to put in the disclaimer here - I love music, and listen to it all the time, but ...

After being rather disappointed with the other Zune accessories offered by Microsoft (especially the terrible FM transmitter), I was a little hesitant about buying anything else for my Zune. But I have to say I am very glad I ended up with the Altec Lansing M604. The sound is fantastic out of these unassuming speakers.
