Russia, Italy, Germany, the United States, and Japan were added as newcomers among the imperialistic states, and indirect, especially financial, control became a preferred form of imperialism. For a decade after World War I the great expectations for a better world inspired by the League of Nations put the problem of imperialism once more in abeyance. Then Japan renewed its empire building with an attack in 1931 upon China.

## **imperialism | Definition, History, Examples, & Facts ...**

The Age of Imperialism is typified by the colonization of the Americas between the 15th and 19th centuries, as well as the expansion of the United States, Japan, and the European powers during the late 19th and early 20th century. Throughout history, many indigenous societies and cultures have been destroyed by imperialistic expansion.
