Audi A2 (2000-2005) Buying Guide. This was the vehicle that was meant to revolutionise the city car genre, thanks to its weight-saving aluminium construction. But high prices, indifferent reviews and the fear of costly crash repairs all conspired to steer potential buyers in alternative directions. Now the A2 is only available used, it offers decent value for money and something just a little different from the norm - along with a healthy dose of four-ringed one-upmanship.
