There are a few paid-for books though, and there's no way to separate the two

Black Sands Socorro Star Wars

The Black Sands of Socorro is a supplement to Star Wars: The Roleplaying Game published by West End Games. It was written by Patricia A. Jackson and was first published in 1997. The book was written from an in-universe perspective, and provided information on the Outer Rim planet Socorro and the rest of the Socorro system. The author attempts to create an Arabian-like ambience for the locations and characters encountered on the planet.

The Black Sands of Socorro | Wookieepedia | Fandom

The home planet of Lando Calrissian deserves its own sourcebook, even if a Han Solo clone steals the cover. The book is an interesting look at Socorro even if it does seem a lot like other worlds in the Star Wars universe and our own.
