### Caterpillar C12 Engine Reviews

The Caterpillar C12 is a diesel engine that is produced for use in both trucks and buses. Engines Specifications. The Caterpillar C12 is a 732 cubic-inch, diesel, air-to-air cooled engine, 12-valve engine. The engine's cylinder bore has a diameter of 5.1 inches and a piston stroke length of 5.9 inches. This engine is turbocharged and the ...

### Caterpillar C12 Engine Specifications | It Still Runs

Why We Like It: This engine wasn't the first Cummins Engine to bring some respectability to the medium duty diesel engine market but it surly refined it. The 4BT, 6BT and ISB 5.9L engines absolutely killed it in the torque rating capability.

### 10 Best and Worst Diesel Engines in History - Capital ...

We have a C12 in the 425 HP version and love the power. Our 32,000 lb MH drives more like a car than an RV. As far as I know there are no serious issues with the engine; the threatened class action suit by boat owners was dismissed several years ago. If you read the truck blogs you will find it is a good reliable engine.

### Cat 505hp C12 in a 2004 motorhome - iRV2 Forums

The Co. I work for has a fleet of tri & quad axle dump trucks with Cat C12 engines. They have proved to be very reliable & trouble free. I might add that the company has a maintenance program that is very meticulous with oil & filter changes done on time, every time, and oil analysis.

### C12 Cat - Trucker Forum - Trucking & Driving Forums ...

The C12 takes full advantage of the electronically controlled unit injection fuel system, resulting in an environmentally friendly engine with outstanding performance and fuel economy.
