## BUILD REPORT CARD - Grade Card Builder

The Report Card Work Group—in collaboration with elementary teachers, principals, and parents developed the standards-based elementary report card. The new report card aligns to Common Core State Standards (CCSS). A standards-based report card highlights the most important skills students need to learn in each subject at a particular grade level. In our elementary school learning environment, students receive marks that report student progress toward meeting content standards.

Standards automatically flow to report cards. One of the first steps in standards-based learning is to write learning targets. They are used to build rubrics, assessments, report cards, etc. Since TeacherEase is a complete system for standards-based learning, learning targets for each course will automatically show up on report cards.

## **Standards-based Report Cards - TeacherEase**

Standards-Based report cards measure each student's progress toward end-of-the-year goals or "standards." By focusing on what students should know and be able to do at the end of each grade level, families will have a much deeper understanding of their child's learning and what can be done at home to support it.
