Overall, the big screen seems like a smart move by Subaru. It adds a much-needed dash of modernity to the Outback, which has stayed true to the long-roof wagon formula for so many years.

2020 Subaru Outback long-term update: Let's talk ...

Trains: Spain and France also have a different gauge making direct train service difficult (except on the new bullet lines). There used to be an all sleeper Paris/Madrid train that had an expanding wheelbase contraption that allowed the train to move car by car from one gauge to the other without waking the passengers.
