Please read the manual and pay attention to these symbols. DANGER: Indicates an imminently hazardous situation which, if not avoided, will result

WALT • www.dewalt

The DWS715 is a 12" miter saw powered by a 15 amp motor that delivers a no-load speed of 4000rpm. As a single compound miter saw, the blade is capable of beveling 0° - 48° to the left. It's also advertised as being able to go 0° - 3° to the right but that means next to nothing. Cutting baseboards is a breeze with this saw.
