However, the text from which it is derived is an abridgement consisting of only 1/3 of Fear and Trembling. While the material itself is of high quality this editon failed to meet my expectations. Half of the content was simply a summary of Kierkegaard (great resembling the wikipedia entry) instead of the actual text.

Praise "Fear and Trembling is among the best-known and influential works in nineteenth- and twentieth-century philosophic theology and literature . . . The Book on Adler [is] one of the dark jewels in the history of philosophic psychology. As an examiner of the lives of the mind, of the associative pulses of the imagination, Kierkegaard has only two peers.
