Teaching the IELTS can present a variety of challenges: the IELTS tests English skills that students will continue to use and build long after the exam. Because of that, your role in the classroom is dual-purpose. You're not only preparing your students for the exam itself, but you're also teaching them a new language.

Write better IELTS essays – focus on the stages of an essay. A key to this lesson is process. The idea is that if you want to write a successful IELTS essay, it helps to think of the essay not just as a product. Rather the idea is to see a good IELTS essay is made up of separate parts or stages. To write a good essay you need to understand what those stages are and as you are writing think about what you need to do at each stage.
