Or, check the reading level of each student in your guided reading binder if you have it. Start students on the level they last left off on. Most of us were on spring break, so students could use a little more practice on their current levels before moving up a level.

### 4 Practical Steps to Teaching Guided Reading Remotely

When you're ready to kick off your small-group guided reading lessons, begin by placing students in groups based on their reading levels and instructional needs. "I like to group children according to a reading range around a focus strategy. It could be monitoring, decoding, fluency, or comprehension," says Richardson.

### 4 Tips for Guided Reading Success | Scholastic

Guided reading is an instructional approach that involves a teacher working with a small group of students who demonstrate similar reading behaviors and can read similar levels of texts. The text is easy enough for students to read with your skillful support; it offers challenges and opportunities for problem solving, but is easy enough for students to read with some fluency.
