What is Ham Radio?

| The American

Legion

Amateur Radio (ham

radio) is a popular

hobby and service that

brings people,

electronics and

communication

together. People use

ham radio to talk

across town, around

the world, or even into

space, all without the

Internet or cell phones.

This mix of fun, public service, friendship and convenience is the main feature of amateur radio. The true origin of the term "ham" seems to have been lost, but there are several theories. It may simply be a shortcut way of saying the first syllable of amateur radio, or it may have originally been used as an insult. Hams start out in amateur radio for many reasons, but
