Janson's History of Art: The Western Tradition, Reissued Eighth Edition presents the same content as the text's Eighth Edition, published in 2010, now reimagined for digital learning via Revel, and also available through the Pearson Custom Library. While remaining current with new discoveries and scholarship, the Reissued Eighth Edition maintains its focus on the object, its manufacture, and its visual character, and continues to consider the contribution of the artist as a key element ...

### Amazon.com: Janson's History of Art: The Western Tradition ...

Janson offered his readers a strong focus on Western art, an important consideration of technique and style, and a clear point of view. The History of Art, said Janson, was not just a stringing together of historically significant objects, but the writing of a story about their interconnections, a history of styles and of stylistic change. Janson's text focused on the visual and technical characteristics of the objects he discussed, often in extraordinarily eloquent language.
