HP 7525 Wireless Not Working - HP Support Community - 6460846

My photosmart 7525 keeps dropping the wifi and then after reestting it comes back then a bit later drops again. The printer is 3yrs old and has had a similar issue before where the HP suuport team told me to provide a static route to printer which I did and that was a while back and issue went away until yesterday 11-2-17.
