### Human Communication as Narration Toward a Philosophy of ...

Narrative theory clashed with several pre-existing beliefs as to the nature of human beings and how they communicate and act. Fisher describes this contrast by identifying the tenets of what he sees as two universal paradigms: the rational world paradigm, and the narrative paradigm.

### Narrative theory | Psychology Wiki | Fandom

Human Communication as Narrative explains his new theory well. However, it IS an insider's book, intended for scholars. I have a master's degree in rhetoric and composition, and my progress through it was slow--however, this was more attributable to my having stopped at an MA than it was to Fisher.
