"Inspiration is for amateurs. The rest of us just show up and get to work." Chuck Close Inside an art gallery, it is easy to forget that the paintings there are the end products of a process involving not only creative inspiration, but also plenty of physical and logistical details. It is these "cruder," more mundane aspects of a painter's daily routine that motivated Brookl

Painters perform detailed, skilled work that can last for many years, if not decades. Tipping house painters is good etiquette. You can base the tip on the size of the crew, and request the amount to be evenly divided. Or, you can leave a tip based on the size of the job and leave it up to the foreman to decide how it is distributed among the crew.
