Jeep Patriot Manual Transmission Problems

5 speed manual transmission problems Vic. My 2014 Jeep Patriot had first 5 speed manual transmission failure at 17K miles. Ratcheting noise, scarred shafts... Ignatz. You've got a problem, and it's not you. Something is wrong with that gearbox. Insist on a new, really new, one. aroundincircles. ...

5 speed manual transmission problems | Jeep Patriot Forums

The jeep patriot manual I drove did awesome. I beat up that vehicle by driving it off road, burning clutches and crashing it a few times. 50k miles when I got rid of it. The transmission nor anything else in the car failed. There was body damage from the last accident and I traded it in for another patriot. Best vehicle for the money in my opinion.
