Lamentations of the Flame Princess is a grimdark retroclone made by James Edward Raggi IV. It started out as an Elizabethan version of Basic/Expert Dungeons & Dragons , but moved in the direction of historical fantasy as the author's interests inevitably changed and he was dumped by his girlfriend, who was incidentally the inspiration for the eponymous "Flame Princess" (which'll give you an idea of what to expect).

### Lamentations of the Flame Princess - 1d4chan

Lamentations of the Flame Princess, subtitled Weird Fantasy Role-Playing, is a dark fantasy RPG in the "old-school" vein. That means that it shares many characteristics with the first edition of Dungeons & Dragons. It is a class and level based system with races modeled as character classes.
