I read Learning to Play Gin before I knew it was the sequel to Cheating at Solitaire. I had to play a tiny bit of catch up with it but not much. It has been a while since I read it but I do remember that I related to the main character a great deal. Ally Carter did a wonderful job making her a well rounded, relate-able, and believable character.

My first book, Cheating at Solitaire took about three months start to finish. I'd Tell You I Love You but Then I'd Have to Kill You took about six months. Learning to Play Gin was a nine month process. So why am I surprised that Cross My Heart and Hope to Spy took over a year? Why did it take so long?

Story behind the story - Ally Carter

Hearts is a cutthroat game, meaning that you normally don't play in partnerships, no matter the number of players involved. The game here focuses on the four-player game, where all the cards are distributed evenly, 13 to a player. The game revolves around tricks. In a trick, everyone takes turns playing one card.
