Most people recover in 3-4 days from wisdom teeth removal surgery, but full recovery may take a week or more. Complex extraction of impacted wisdom teeth that were already causing symptoms may require longer healing time, closer to 2 weeks. Every year, about 5 million people in the United States have their wisdom teeth removed.

When you find yourself bubbling from within, like a cauldron of ancient natural healing wisdom, you might be a witch. If you find that people are drawn to you and long to discuss life and all its fury, pain, love and wonder, you might be a witch. 4. Nature. Nature feels...well... natural to the witch. When you are in nature (walking in a garden, the woods, on the heath, or in a park), if you feel like that's where you belong, you might be a witch.
