Neopets - Hi!

On Neopets, application refers to a pet application process made in order to try and adopt a pet that is up for adoption. Pet applications come in many forms, but the most common three are board applications, neomail applications, and petpage applications. 1) Board applications are the shortest kind of APP processes and are mostly selected when a pet is UFQA (Up for Quick Adoption).

In some cases, this can take the form of a simple Neomail stating that you're interested in the pet. Often, especially when adopting out a pet that many people want and that would be easy to retrade, the owner prefers a more extensive introduction to you and your ideas for the pet -- this is generally known as an "application".

You will most likely use less than a fifth of that, but better safe than sorry! :P) First click on the image of the pet you wish to adopt. (If you want to see more pets, hit the View More Neopets button.) If you wish to adopt a pet, click on the image of the pet and then hit the obscenely large Adopt button below the third pet. You will then receive a dialog box like the one shown below.
