Odysseus Unbound: The Search for Homer's Ithaca

The geography of the Apologoi (the tale that Odysseus told to the Phaeacians, forming books 9-12 of the Odyssey), and the location of the Phaeacians' own island of Scheria, pose quite different problems from those encountered in identifying Troy, Mycenae, Pylos and Ithaca.. The names of the places and peoples that Odysseus visits or claims to have visited are not recorded, either as historical ...
