LibGen is a unique concept in the category of eBooks, as this Russia based website is actually a search engine that helps you download books and articles related to science. It allows you to download paywalled content for free including PDF downloads for the stuff on Elsevier's Science Direct website. Even though the site continues to face legal issues due to the pirated access provided to books and articles, the site is still functional through various domains.

Onkyo Tx V940

The TX V940 had plenty of power to push them very hard, with minimal to no distortion levels. I also powered a pair of cerwin Vega 12in su woowers, which could also be driven cleanly Untill the voice coils were smacking the magnets with intense cone throw movement. For the money, it is a solid unit.

I got an Onkyo TX-V940 receiver (supposedly 100 watts) 14 years ago and as I remember I wasn't that impressed. Once it broke in it was ok but once I found that Marantz 2220B that was it. I used the Onkyo a couple times after but always returned to the Marantz. So on the whole I found the Onkyo to be a little on the bright side.
