### Service Engine Soon Light 2001

Service Engine Soon Light Meaning. If the "Service Engine Soon" light comes on, it means that there is a small problem with the electronics or the engine of your car. Some manufacturers use them as a check engine light for minor problems. It could also mean that it is time for a scheduled service, such as oil or spark plug replacement. Some manufacturers only have one indicator for both scheduled service and engine problems. Common causes of the Service engine soon light:
