You can search Google Books for any book or topic. In this case, let's go with "Alice in Wonderland" since it's a well-known book, and there's probably a free eBook or two for this title. The original work is in the public domain, so most of the variations are just with formatting and the number of illustrations included in the work. However, you might also run into several copies for sale, as reformatting the print copy into an eBook still took some work. Some of your search results may also be related works with the same title.

### Surviving Us Erin Noelle

Surviving Us by Erin Noelle was such a fresh and different look at falling in love. I absolutely LOVED this book! Davis and Bristol -- two lost and damaged people who travel to the same island and the same retreat for very different reasons. They are both survivors in the very truest sense of the word.

### Surviving Us by Erin Noelle - Goodreads

"Surviving Us" is a gorgeous story of a second chance. Once again, Erin Noelle's writing is beautiful, witty, funny and emotional. Bristol is a young woman trying to guard her heart against life. A life she was saved for, when no one around her was. Her guilt all consuming for being spared.
