of a party of explorers who threw dynamite into the river to make short work of fishing. When fish floated to the surface, the hungry men gathered them up for a meal. The unluckiest of them didn't notice he was munching on a piranha until he'd bitten into the fish. It took off most of his tongue.

Nearly As Scary As**

# Access Free Swimming Piranha Hungry **You Think ...**

Perhaps swimming with them was not such a good idea. After catching a bucket of them, we brought them back to our home base for the night and had them cooked up for dinner. Piranhas taste very good and I found it ironic to be eating a fish that could be capable of eating me.
