Taming the Infinite: The Story of Mathematics by Ian ...

One of the reasons I read TAMING THE INFINITE because I am a science teacher. Since being a teacher entails helping students understand the sources, tools, and limits of knowledge, I have made it a point to read books on math to help me better understand these things myself. Stewart's book is excellent for that purpose.

Amazon.com: Customer reviews: Taming the Infinite: The ...

I found however, the book written by Kim Stewart, titled "Taming the Infinite - the Story of Mathematics" on amazon. Does the use of the phrase (an exercise / attempt /plan to) "tame the infinite" by the New York Times writer suggests that the phrase is getting currency as a popular phrase or trendy expression?

phrases - Is "tame the infinite" becoming the popular ...
