Book 1 of 2 in the Belonging Duet. Enough. That single word is all I've ever wanted to be. Enough for someone to stay for. Enough for someone to love and cherish, but I've been burned every time. Except at my job. I thrive there. In my office, I have the ability to fix things and command situations. Until my new client walks in.

This duet ended up not being the book she was looking for, but as soon as I read the synopsis for the books I was all in. Being the type of reader I am I started at the beginning of the series, even though this duet was about a different couple. The Beloved duet set me to know what was coming for Natalie and what a huge loss she'd suffered.
