The Change Monster: The Human Forces that Fuel or Foil Corporate Transformation and Change. by. Jeanie Daniel Duck. 3.41 · Rating details · 110 ratings · 7 reviews. Fear, curiosity, exhaustion, loyalty, paranoia, optimism, rage, and revelation--not quite the kind of emotions that are anticipated or discussed when leaders embark on organizational change, but exactly the kind to expect, says Jeanie Daniel Duck in her treatise on the human element of growth.

### **The Change Monster: The Human Forces that Fuel or Foil ...**

The Change Monster is not a how-to, step-by-step manual on how to slam home a win for any company undergoing change. It's more of a memoir of the good, bad, and ugly side of change she faced while living as a change consultant for the Boston Consulting Group (BCG). Thankfully, it's a much more than a memoir.

About The Change Monster. A brilliant, original, and powerful look at corporate change—mergers, reorganizations, transformations—and why it succeeds or fails. The Change Monster is the first book on the central issue that blows so many change efforts out of the water: the human interactions and emotional dynamics of the people involved. It is also an unusual book about business, one written from the heart as well as the head.

The Human Monster, also known as Dark Eyes of London, is cheaply made and does star Bela, but it is a wonderful film. It tells the story of Bela the insurance broker who loans money to people and signs them up for an insurance policy, only later to kill them for the money. Bela uses a home for the blind as a cover-up for his operation.

The Change Monster is a tough-minded but compassionate book about leadership when major changes are demanded: after a merger, when profits are falling or markets being lost. It is also about the discipline and kindness it takes to get the people who report to and depend on you to confront their fears and move on to a new agenda, strategy, or company.
