### **The Commitment Love Sex Marriage**

This book was written before the Supreme Court determine same sex marriage to be legal in all states. The book really gives a lot of insight into what it was like for committed couples in the years prior and to how their every day lives were like, as well as to what their thought process was like as people debated their lives.

The Commitment is billed as a hilarious romp through the world of gay marriage. Instead it is mostly an angry rant about the restrictions and prejudices faced by homosexuals today. While I agree with all his points it felt a bit like having someone endlessly trying to convince me of something I already agree with.
