The Definitive Guide to Cancer, now in its third edition, encourages you to take an integrative approach that embraces both alternative and conventional therapies across the spectrum of cancer prevention, treatment, and healing.

### **The Definitive Guide to Cancer**

“The Definitive Guide to Cancer” is the best of the many books I have read on the subject. Why do I like it so much? It is comprehensive, scientific, easy to use because it is very well organised and extremely practical. It helps you counteract the nasty side effects of chemotherapy and other cancer treatment drugs.
