If you answered true to 13 or more of the questions, your child is probably highly sensitive. But no psychological test is so accurate that you should base how you treat your child on it. If only one or two questions are true of your child, but they are extremely true, you might also be justified in calling your child highly sensitive.

Is Your Child Highly Sensitive? - The Highly Sensitive Person

Highly sensitive children sense the injustices and cruelties all around them. Trust that we must be experiencing something painful enough to ask you if we can stay home. Consider that we may be the canaries in the coal mine. 5) Just listen. Sometimes we don't need advice, and we don't need to hear why we shouldn't feel the way we do.
