The Politics of Space Security: Strategic Restraint and ...

The past five decades have witnessed often fierce international rivalry in space, but also surprising military restraint. Now, with an increasing number of countries capable of harming U.S. space assets, experts and officials have renewed a long-standing debate over the best route to space security.

The Politics of Space Security: Strategic Restraint and ...

"In The Politics of Space Security, James Clay Moltz presents a concise yet brilliant analysis of the history of space security through the lens of the political environment that shaped it. Moltz's book does a fantastic job of giving just enough detail to strengthen his arguments while still keeping the text flowing."
