### The Sunset Limited Southern Pacifics

The Sunset Limited was Southern Pacific's premier train. Initially, the Sunset Limited was an all-Pullman train, with sleeping cars and no coaches, running from New Orleans to San Francisco via Los Angeles. From its beginning in 1894, until streamlining in 1950, all the train's cars had 6-wheel trucks and dark olive green paint, with black roofs and trucks.

### Sunset Limited - Wikipedia

"No expense was spared on the Budd streamlined Sunset Limited of 1950, a train still widely regarded as representative of the apex of passenger train development in the United States. Southern Pacific took exceptional pride in this train because it traveled solely on SP rails for its whole journey - unlike other trains which were joint efforts with other railroads.

### The Sunset Limited: Southern Pacific's Premier Train with ...

The Sunset Limited The Southern Pacific's Sunset Limited was a passenger train that for most of its history ran between New Orleans, Louisiana, and Los Angeles, California, over the nation's second transcontinental route. Route West of New Orleans, the route was owned by the Southern Pacific Railroad.

### The Sunset Limited - Classic Streamliners

The Southern Pacific Railroad is lauded for the vast and illustrious passenger services it offered over the years and the Sunset Limited was another of these fabled trains. Along with the Sunset other well-known "Espee" passenger trains include the legendary Daylights , the Lark , Imperial , Del Monte , Starlight , and the joint Rock Island Golden State among many others.
