### The Walled City by Ryan Graudin, Paperback | Barnes & Noble®

The setting is China which was wonderfully brought to life by Graudin. Round of applause for her research here because it shows and pays off so well. The setting of this walled city, ruled by drugs and human trafficking, is actually based on the real life Kowloon Walled City which astounded me because I didn't even know about Kowloon.

### Walled City: Graudin, Ryan: Amazon.com.au: Books

Ryan Graudin writes with the intensity of someone who is actually running through alleys for their life, or trapped inside a single building for years, or planning a risky escape from "this cesspool of humanity". The Walled City is so vividly written, and combines the utmost perfect amount of answers and cliffhangers.

### The Walled City en Apple Books

The Walled City by Ryan Graudin My Thoughts: The Walled City by Ryan Graudin is the story of three people that are in Hak Nam Walled City for three different reasons. Hak Nam is not the type of place you want to be: it's filthy and oversaturated with gang activity, sex trafficking, petty crime, drugs, murder, things like that.
