Extinction Rebellion in the UK has just published a book called This Is Not a Drill: An Extinction Rebellion Handbook. I'd like to recommend it to U.S. presidential candidates. Half the book is about where we are, and half about what we must do. It's a British book, but I expect it to be useful in various ways to anyone on earth.

Top definition This is not a drill That phrase you always hear when the good guys are faced with imminent danger that requires their participation in the defense of a particular strategic location. Of course, the big tough guy who is rudely waking the cadets from their slumber would probably say it even if it WAS a drill.
