Solutions for Odd-Numbered Questions; Introduction. During my self-study on the topic of cryptography, I've found that the textbook "Understanding Cryptography" by Christof Paar and Jan Pelzl, and the accompanying YouTube lectures, are the most accessible introductory material I have found. The book contains a great many exercises related ...

### Understanding Cryptography by Christof Paar and Jan Pelzl ...

In a company, all files which are sent on the network are automatically encrypted by using AES-128 in CBC mode. A fixed key is used, and the IV is changed once per day. The network encryption is file-based, so that the IV is used at the beginning of every file. You managed to spy out the fixed AES-128 key, but do not know the recent IV.
