## **Where The Missing Go A**

Where the Missing Go was a pleasantly surprising debut novel from Emma Rowley. The chapters were short and face-paced, making for a very quick read. Told primarily from Kate's (the mother's) perspective, there are also a few chapters throughout the second half of the story told from

**Where the Missing  
Go by Emma Rowley  
- Fantastic Fiction**

The marketing-hyped subtitle for the book means it has a lot to live up to, and for me it fell a long way short.

Other than the final 20% where the pace finally picks up, this book has a plodding storyline that occasionally wallows into memories for so long that I had to turn back a few pages to

Dumbfounded

riddle is a famous  
riddle that involves an  
informal fallacy. It  
dates back to at least  
the 1930s, although  
similar puzzles are  
much older. Although  
the wording and  
specifics can alter, the  
puzzle runs along  
these lines: Three  
guests check into a  
hotel room. The  
manager says the bill  
is \$30, so each guest  
pays \$10.

The Missing is a British anthology drama television series written by brothers Harry and Jack Williams. It debuted in the UK on BBC One on 28 October 2014, and in the United States on Starz on 15 November 2014. The Missing is an international co-production between the BBC and Starz. The first eight-part series, about the search for a missing boy in France,

Where the Missing Go is a solid debut, and right on trend as a psychological noir, but perhaps lacks the variety of tone and character depth that made This is What Happened such a standout. Also see Presumed Dead by Mason Cross.
