After 12 years of intermittent radio problems, replace my Terra TX 760 with this Flightline 760A. On the first test flight, the response from the ground was best 5 by 5 ever. Both the transceiver and the intercom work very well. I hope I am as please a year from now.

### FLIGHTLINE 760A PANEL MOUNT COM RADIO | Aircraft Spruce

XCOM2 is a sequel to the popular XCOM series from Firaxis Games, published by 2K.

### XCOM 2

The manual that came with the radio should have a schematic that will show the pin functions where all the wires mate to the radio. It's possible the radio could be at fault. Xcom doesn't have a very good reputation in the Experimental realm from what I've read and heard. Sounds more like a wiring or switch problem from your description, though.

Radio Relays reduces the intel cost of adjacent regions when making contact. It also increases the amount of supplies of the region it's built on during the monthly supply drop. It does not increase the maximum number of regions you can make contact with, build the Resistance Comms facility aboard the Avenger instead. Before building the first Radio Relay, it requires Resistance Radio research ...

Tips for adding radio effect to voice files. Greetings, I'm getting ready to create my first XCOM 2 mod, which is a voice pack, and while I'm familiar enough with various audio programs to be able to create mono WAV files, I'm not sure how to go about adding that ever-so-desired radio filter/effect to the voices.
