The Crown XLS 802 is awesome. 500 watts at 8 ohms, and 800 watts at 4 ohms... for only 399...and free shipping. seriously, what a bad ass deal. Crown is top of the line. This Power Amp is extremely crisp and full. I play in a rock band and we jam pretty hard sometimes and this thing pushes the sound out with incredible clarity.

I bought a Crown XLS-802 amplifier a few weeks ago and had it RMAed because both channels would pop when it was turned off and the right channel always had lots of buzz. The new amp also pops ( I mean popping sound through the speakers) when I turn it off so I have been turning the knobs all the way down so there is only a quiet pop when they ...
